

COUNTRY WASTE RECYCLING LTD

ENVIRONMENTAL POLICY STATEMENT

The Policy has been produced by the Directors of Country Waste Recycling in order to ensure that the procedures and activities of the company are carried out with the minimum of environmental impact and in compliance of all UK and EU Legislation.

Country Waste Recycling has a commitment to recycle the maximum amount of material that it collects and brings to the site for processing.

The Directors have implemented an Integrated Quality and Environmental Management System in line with the requirements of ISO9001:2008 and ISO14001:2004.

The Directors will instruct and encourage the employees and subcontractors to effectively use the resources available and minimise the use of raw materials, gas, electric, water and fuel.

The Directors will Design and Implement Training Programmes for employees and subcontractors in order to increase and maintain awareness of Environmental Aspects, Impacts and Legislation.

The Directors will ensure that the company is prepared to deal with all incidents and emergency situations on the site and that suitable and effective training has taken place.

The Directors are determined to continually improve the service provided by Country Waste Recycling and by using expert knowledge, increase the quantity of material recycled at the site on an on-going basis.

The Directors have produced Quality and Environmental Objectives which will be communicated throughout the company and reviewed on a regular basis.

All employees, visitors, suppliers and sub-contractors are encouraged to assist in enforcing this policy by following site rules, Standard Operating Procedures and Verbal Instructions.
